## COURSE DELIVERY

This course is delivered by a combination of classroom training in your school with a Skills Compliance trainer, self-paced students at home, with full online support, all with active hands on practicals and site visits at the local maintenance airport facility, with Skills Compliance trainers.

## COURSE DURATION

Skills Compliance can design program options to accommodate each school and students' schedules. Courses follow the academic school and can start in Term 1 or 2.

## PAYMENT OR FUNDING OPTIONS

### 10 - 12 School Students

**VET in Schools program VETis** – funded by the Queensland Government

Vocational Education and Training in Schools (VETiS) is delivery of nationally recognised qualifications to school students, providing them with the skills and knowledge required for employment in specific industries. VETiS qualifications can be undertaken in years 10, 11 and 12, and can count towards the Queensland Certificate of Education. VETiS funded by the VET investment budget is fee-free for students. For further information.
