

Investing for Success

**Under this agreement for 2018
Bundaberg State High will receive**

\$778,450*

This funding will be used to

- Continue to improve percentage of students at or above National Minimum Standards (NMS) in NAPLAN for Year 7 and Year 9 students in Reading and Numeracy. This year we again aim for at least 98% above NMS in both areas.
- Continue to develop the performance of Upper 2 Band (U2B) students in NAPLAN. 20% in upper 2 bands in Years 7 and 9 remains our target.
- Aim for at least 90% A-C academic attainment in reporting across all subjects in all year levels.
- Continue with the whole school reading framework from Years 7-12.
- Continue our rapid reading program started with years 7/8/9 in 2016, and Year 10 in 2017.
- Achieve 100% QCE/QCIA Year 12 exit.

Our initiatives include

- Continuing professional development of staff in reading strategies to enable delivery of whole school reading framework from Years 7-12, with monitoring processes to confirm delivery.
- Continue implementation of rapid reading program with all identified students in Years 7-10, expanding into the Ignite program.
- Focused lessons for literacy and numeracy based on cohort/class/individual requirements as outlined in the Years 7-9 LAN plan.
- NAPLAN preparation program with learning support and U2B students.
- Professional development of staff in teaching students how to demonstrate “what they know”.
- Literacy and numeracy coaches working across faculties and in classrooms with teachers.
- Developing feedback processes to support staff in their observations of professional practice.
- Continuing to inform parents about how to support students’ academic improvement.
