| BSHS Subject Name | Years | Subject Code | ATAR | QCE Credits | VET | Additional |
|-------------------------------|-------|--------------|------|-------------|-----|---------------|
| Certificate I in Construction | 11/12 | VCT | - | Up to 3 | YES | VETIS funding |

Head of Department: Mr Keith Holledge

Course Outline:

Certificate I in Construction is designed to provide students an opportunity to gain knowledge that covers a broad range of the Building Construction and its Allied Manufacturing Industries. This course provides access for students to complete Certificate I in Construction (CPC10111) from the Building, Plumbing and Services Training Package (CPC08) which is a nationally recognised qualification.

This course is designed to deliver broad-based underpinning skills and knowledge using a range of Building Construction and Allied Manufacturing Industries tasks to prepare students for entry level employment prospects for possible apprenticeships, traineeships or general employment in a building construction related workplace. Students are encouraged to participate in structured work placement and seek possible school-based apprenticeships or traineeships

Course Content:

| Students will study the following Units of Competency: | | |
|---|---|----------|
| Certificate I Construction | | |
| CPCCOHS1001A | Work safely in the construction industry | Core |

Please note, competencies delivered in other courses and may affect new learning and QCE points awarded. Subject to change.

Students may gain recognition for skills that they have acquired from paid part-time work to complete some Units of Competency.

BUNDABERG STATE HIGH SCHOOL VOCATIONAL EDUCATION AND TRAINING (VET) PROGRAMS

Outside Learning Provider: Blue Dog Training Pty Ltd

This Certificate I in Construction will be delivered and assessed at Bundaberg State High School by qualified instructors. This Program will not be using Bundaberg SHS as the RTO however, the program will be supported by VET teachers at BSHS as a partnership agreement with Blue Dog Training Pty Ltd.

Assessment Outline:

This is a competency based course. Students will have a number of opportunities to demonstrate that they can competently complete the set activities over the course of study. Students will be assessed using a variety of techniques which includes online formal learning and assessment, on-site formal learning and one on one face to face delivery and assessment.

Career Pathways:

Builder, Carpenter, Bricklayer, Solid Plasterer, Ceramic tiler, Painter, Form worker, Concreter, Roof tiler, Steel Fixer, Dogger, Rigger, Construction worker. Further information can be obtained from:

<https://bluedogtraining.com.au/>

Potential Activities:

Students may be provided with the opportunity participate in Structured Workplace Learning.

Costs:

This course is VETIS funded. There will be additional costs involved in this course for materials used. Students, through their resource hire fee, have access to the photocopied class materials and required texts.

Student Requirements:

Knowledge of hand skills obtained from completing one of the Junior Manual Arts courses would be an advantage. Students must be prepared to participate fully and enthusiastically in class projects and outdoor projects around the school. A laptop computer and school network access is required to be able to access and upload assessment and online modules. The Microsoft Office suite is available free to students and can be accessed from the school network.

Student Information:

Bundaberg State High School does not guarantee that students will complete their qualification or Units of Competencies, however at Bundaberg State High School and through Blue Dog Training VET Tracking/Case Management of students is in place as a checking system to see that student are progressing towards completions. We encourage parent and student communication in this process. We also do not guarantee an employment outcome upon completion. Qualifications must be completed in a manner that meet the VET Standards for RTO's.

All information is correct at time of publication but subject to change.
