

BUNDABERG STATE HIGH SCHOOL
VOCATIONAL EDUCATION AND TRAINING (VET) PROGRAMS

RTO Name: Blue Dog Training PTY LTD	RTO NO: 31193
VET Course Name: Certificate I in Construction	VET Course Code: CPC10111

BSHS Subject Name	Years	Subject Code	OP	QCE Credits	VET	Pre-requisite
Certificate I in Construction	12	VCT	NO	3	YES	YES

Head of Department: Mr Keith Holledge

Course Outline:

Certificate I in Construction is designed to provide students an opportunity to gain knowledge that covers a broad range of the Building Construction and its Allied Manufacturing Industries. This course provides access for students to complete Certificate I in Construction (CPC10111) from the Building, Plumbing and Services Training Package (CPC08) which is a nationally recognised qualification.

This course is designed to deliver broad-based underpinning skills and knowledge using a range of Building Construction and Allied Manufacturing Industries tasks to prepare students for entry level employment prospects for possible apprenticeships, traineeships or general employment in a building construction related workplace. Students are encouraged to participate in structured work placement and seek possible school-based apprenticeships or traineeships

Course Content:

Students will study the following Units of Competency:		
Certificate II in Manufacturing Technology (MSM)		STATUS
CPCCOHS1001A	Work safely in the construction industry	Core
CPCCCM1012A	Work effectively and sustainably in the Construction Industry	Core

CPCCCM1011A	Undertake basic estimation and costing	Elective
CPCCCM2004A	Handle construction materials	Elective
CPCCCM1015A	Carry out measurements and calculations	Elective

Students may gain recognition for skills that they have acquired from paid part-time work to complete some Units of Competency.

BUNDABERG STATE HIGH SCHOOL VOCATIONAL EDUCATION AND TRAINING (VET) PROGRAMS

Outside Learning Provider: Blue Dog Training Pty Ltd

This Certificate I in Construction will be delivered and assessed at Bundaberg State High School by qualified instructors. This Program will not be using Bundaberg SHS as the RTO however, the program will be supported by VET teachers at BSHS as a partnership agreement with Blue Dog Training Pty Ltd.

Assessment Outline:

This is a competency based course. Students will have a number of opportunities to demonstrate that they can competently complete the set activities over the course of study. Students will be assessed using a variety of techniques such as:

- Online formal learning and assessment
- On-site formal learning and assessment
- Off the job workshop simulation
- One on one face to face delivery and assessment
- Other forms of assessment can include folios of work, in-class tests, scenario based activities, internet activities, simulated workplace activities and teacher observation.

Career Pathways:

Builder, Carpenter, Bricklayer, Solid Plasterer, Ceramic tiler, Painter, Form worker, Concreter, Roof tiler, Steel Fixer, Dogger, Rigger, Construction worker. Further information can be obtained from:

<https://bluedogtraining.com.au/> <https://www.myfuture.edu.au/>

Potential Activities:

Students will be provided with the opportunity to do Structured Workplace Learning where they are provided with the opportunity to work in the 'real world'.

Costs:

There will be additional costs involved in this course for materials used. Students, through their resource hire fee, have access to the photocopied class materials, internet, email facilities, required texts, software and hardware.

Student Requirements:

Students should have successfully completed Certificate I in Manufacturing.

Prerequisites for this course is students should have displayed a sound level in English and Mathematics. A Year 10 Semester report with a pass in behaviour and effort and showing a ninety per cent attendance. Knowledge of hand skills obtained from completing one of the Junior Manual Arts courses would be an advantage. Students must be prepared to participate fully and enthusiastically in class projects and outdoor projects around the school. A home computer with internet is recommended for completing online tasks and uploading assessment task to RTO provider Blue Dog Training.

BUNDABERG STATE HIGH SCHOOL VOCATIONAL EDUCATION AND TRAINING (VET) PROGRAMS

Student Information:

Bundaberg State High School does not guarantee that students will complete their qualification or Units of Competencies, however at Bundaberg State High School and through Blue Dog Training VET Tracking/Case Management of students is in place as a checking system to see that students are progressing towards completions. We encourage parent and student communication in this process. We also do not guarantee an employment outcome upon completion. Qualifications must be completed in a manner that meet the VET Standards for RTO's.

All information is correct at time of publication but subject to change.
