BUNDABERG STATE HIGH SCHOOL VOCATIONAL EDUCATION AND TRAINING (VET) PROGRAMS

Assessment Outline:

This is a competency based course. Students will have a number of opportunities (generally three) to demonstrate that they have competently complete the set activities over the course of study. Students are assessed using a variety of techniques such as folios of work, in-class tests, scenario based activities, internet activities, simulated workplace activities and teacher observation.

Career Pathways:

This course provides students with the skills to proceed to Certificate III in Business and/or work within the business/office administration area.

Potential Activities:

Students are provided with the opportunity to do Structured Workplace Learning where they are provided with the opportunity to work in the 'real world'. Students will be working on projects involving computer software packages including working in authentic office environments while learning basic office duties.

Costs:

There are no additional costs involved in this course. Students, through their resource hire and BYOD fees, have access to the photocopied class materials, internet, email facilities, required texts, software and hardware.

Student Requirements:

There are no prerequisites for this course. This course is designed for students who have an interest in the clerical-administration area. Students require a computer to use at school to successfully study this course.

Student Information:

Bundaberg State High School does not guarantee that students will complete their qualification or Units of Competencies, however at Bundaberg State High School VET tracking/case-management of students is in place as a checking system to see that student are progressing towards completions. We encourage parent and student communication in this process. We also do not guarantee an employment outcome upon completion. Qualifications must be completed in a manner that meet the VET Standards for RTO's 2015.
